COMPANY OVERVIEW

Northline Supply Services LLC is a Florida-based, procurement-focused supply company supporting government, institutional, contractor, and commercial buyers. Northline coordinates specification-driven sourcing, quote response, supplier communication, buyer documentation, and fulfillment support across recurring operational supply categories.

CORE COMPETENCIES

- Government RFQ / IFB sourcing and quote coordination
- Exact specification, manufacturer, and part-number sourcing
- Recurring supply and facility replenishment support
- Supplier / distributor coordination and quote comparison
- Delivered-cost, order, and fulfillment coordination
- Vendor onboarding and procurement documentation support

CORE SUPPLY CATEGORIES

- Janitorial & Sanitation
- Electrical & Facility Support
- Hardware, Tools & Safety
- Signage & Identification
- Facility Maintenance / MRO
- Paper & Disposable Goods
- Institutional / Workspace Supplies
- Paints, Coatings & Exact-Part Sourcing

BUYER FIT

Federal, state and local agencies • Municipal departments • Schools and public institutions • Prime contractors • Facility and maintenance teams • Commercial and institutional purchasing organizations

DIFFERENTIATORS

- Federal procurement identifiers established: UEI and CAGE
- Dedicated contracts desk for RFQs and buyer communication
- Specification-first sourcing and documentation discipline
- Flexible multi-source procurement model across operational categories
- Focused on practical, recurring and exact-requirement supply needs
